ONLINE SAFETY PARENT WORKSHOP

APRIL 2025

RESOURCES:

- Presentation- https://www.childnet.com/resources/staff-led-parent-online-safety-presentation/
- Parental controls- https://www.internetmatters.org/parental-controls/?paged=1
- Film and TV age ratings- https://www.commonsensemedia.org/
- Information about games- https://askaboutgames.com/

WHAT WE DO AS A SCHOOL:

- New monitoring system- Senso on the computers.
  - This is a filtering and monitoring system which sends an alert to the safeguarding team if children search for something that could be a safeguarding concern.
- Regular lessons planned talking about common subjects relating to online safety-
  - Copyright and Ownership
  - Self-Image and Identity
  - Managing Online Information
  - Privacy and Security
  - Online Relationships
  - Online Reputation
  - Online Bullying
- Celebrating Internet Safety Day yearly in February.

LESSONS:

- In Reception-
  - learning what personal information is and how to keep this safe.
  - Learning about how to use devices and software safely and respectfully.
  - Begin to look at online bullying- how people can be unkind online and how it makes us feel.
- In KS1-
  - Copyright and ownership- what they create belongs to them.
  - Self-image and Identity- recognising that there are people online who can make them feel sad. What they can do if this happens. Understanding how people can make themselves look different online.
  - Managing online information- Safe searching online.
  - Privacy and Security- Personal information. Understanding how passwords protect us.
  - Online relationships- Understanding how they can use the internet to communicate with people safely.
  - Online bullying- How this can look online. How it makes people feel. Who to talk to.
