Please see our website for term dates/holidays. Updates/changes in red.

Head Teacher's Update

Dear Families,

We have had a wonderfully busy and positive week across the school, with lots of exciting experiences for our children as we move towards the end of term.

Year 2 have had a particularly special few days. On Monday, they visited the juniors to watch the Year 6 performance of *Charlie and the Chocolate Factory*, which they described as *amazing* — a brilliant way to inspire them as they prepare for their own move to Key Stage 2. On Tuesday, they enjoyed their **transition morning**, spending time in their new classes and meeting staff. Today they returned once more for a **school tour and play session**, helping them feel confident and familiar with their new environment.

Today we also welcomed some of our **new Nursery and Reception children** into school for a play session. It was so lovely meeting our new families and beginning those early relationships that help children settle so well. We look forward to welcoming more families on Tuesday.

This week we held our **Meet the Nursery Teacher** online session with myself, Mrs Graham-Leigh and our new Nursery teacher Mrs Beshirian. Thank you to all families who joined — it was a calm, friendly session and a great start to the transition process.

Our **Sports Day** was a huge success. A big thank you to Miss Goodman for organising such a well-paced and engaging morning. What makes Sports Day so special at Whiteheath is how active the children are, with lots to do and very little waiting around. Their enthusiasm and teamwork shone throughout.

This afternoon we also hosted our **Reception Meet the Teacher** meeting in the school hall at 2pm. It was lovely to see so many families and share information about the year ahead.

Wishing all our families a restful weekend.

Mrs Hall

SCHOOL NEWS & EVENTS

Weekly Attendance by Class

22nd June – 26th June 2026

Class	Attendance %
Nursery	87.6
Wrens	87.8
Swans	96.0
Ducklings	93.7
Doves	95.0
Robins	92.8
Puffins	91.7
Swallows	89.0

Class of the Week: Swans (96.0%)

Reminder: Monday 6th July is our rescheduled Non-Uniform Day!

There is still time to donate to the fundraiser, just click the link below!
https://www.justgiving.com/page/whiteheath-infant-non-uniform-2026

The WISA Mr Frostie show will take place after school.

You will need to collect your child/children promptly at **4.45pm** from their normal classroom collection point.

On **Tuesday**, you will find out who your child's class teacher will be for next year. We will be launching this with a short video on our **Instagram**, so if you would like to see this before your child comes home, please make sure you are following us - @whiteheath_infant_nursery_sch

We have several staffing updates for September. **Mrs Ekizou** will be returning from maternity leave. **Miss Filipa**, **Miss Ali** and **Mrs Kirk** will be leaving us at the end of term, as they were all covering maternity leave or a mid-year departure. We are very grateful for everything they have contributed to Whiteheath during their time with us.

We are also delighted to share that we have successfully appointed **Mrs Beshirian**, who will be joining us as our Nursery teacher next academic year. Many of you will already have met her during the online Meet the Teacher session this week.

I want to extend my sincere thanks to all staff who have supported the school in these short-term roles this year, and we wish them every success in their future endeavours.

A Invitation from Hillingdon Council

We're pleased to invite families to a fun-filled afternoon at the Mayor's Picnic in the Park!

Date: Saturday 11 July 2026
Time: 12:00pm - 5:00pm
Location: The Closes, Church Close, West Drayton UB7 7PY
Cost: FREE

Enjoy a relaxed afternoon of live music, entertainment, and community fun. Bring along your picnic, something comfortable to sit on, and make the most of this great family day out!

More details here - The Mayor's Picnic in the Park | Hillingdon Council

A Message from Hillingdon Council

We have been made aware of some recent social media reports raising concerns about the potential misuse of the online marketplace platform *Vinted*.

These posts suggest that, in a small number of cases, individuals may be attempting to disguise inappropriate activity by listing children under categories such as toys or branded items, while including descriptions that reference a child's age, height, hair colour or other personal details.

At this stage, these reports are **unverified**, but as a precaution we are sharing this information so that families can remain aware and continue to keep children safe online.

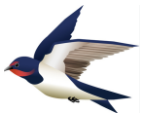

Key reminders for parents and carers

- **Be aware of the apps and platforms your children may be accessing.**
- **Monitor online activity and conversations where possible.**
- **Remind children not to share personal information online**, including photos, names, ages or locations.
- **Report anything suspicious** to the police via **101**, or **999** in an emergency.
-

We encourage everyone to remain vigilant and to report anything that seems unusual or concerning.

Safeguarding is a shared responsibility, and your continued support helps us keep all children safe.

Year 2

Year 2 Summer 2 Week 5

We have had another fantastic week of learning in Year 2. The children have continued to work incredibly hard and have shown great enthusiasm in all areas of the curriculum. We are especially proud of the effort they have put into preparing for our End of Year Show, and we are looking forward to sharing their performance with you next week. We also hope everyone enjoys visiting our Exhibition Evening to celebrate the wonderful learning that has taken place throughout the year.

Next Week

Maths - In Maths, the children will continue their learning about statistics. They will draw and interpret block diagrams and pictograms using different scales, including 1:1, 2, 5 and 10, while consolidating their understanding of presenting and interpreting data.

English - The children will complete their recounts of *The Hodgeheg*, focusing on sequencing events in chronological order, using time conjunctions and including key details from the story.

Art - The children will continue creating artwork for our Year 2 assembly, focusing on future jobs and putting the finishing touches to our displays and props for the performances.

Dimensions - Science and Computing - The children will continue working in their Science and Computing groups, building on their learning from this week. In Computing, they will further develop their PowerPoint skills by organising information clearly using titles, images and simple facts to create an informative presentation.
In Science, the children will continue learning about animal diets, sorting animals into groups according to what they eat and identifying carnivores, herbivores and omnivores.

Forest School - Both Swallows and Puffins will take part in Forest School on Wednesday. Please ensure your child comes to school dressed appropriately for the outdoor activities.

Special Events
Assembly rehearsals will continue throughout the week, with a dress rehearsal taking place on Thursday morning.

We are delighted to invite families to our Exhibition Evening on Tuesday from 3.30–5.00pm, where the children will have the opportunity to share and celebrate their learning from across the year.

Our Year 2 End of Year Show will take place on Friday morning at 9.15am and again on Friday afternoon at 2.30pm. We cannot wait to share the children's hard work and are sure they will make us all proud.... and very emotional!

Reminders

- Please continue to read regularly at home and record this in your child's reading record.
- Guided Reading sessions will take place on Tuesday, Wednesday and Thursday.
- Reading books, homework and spellings will be sent home on Thursday.
- Library visits will take place on Friday. Please ensure library books are returned.
- Please ensure all clothing is clearly labelled.
- Children will continue assembly rehearsals throughout the week.
- We look forward to seeing families at the Exhibition Evening on Tuesday and at one of our End of Year Show performances.

Thank you for your continued support. We are looking forward to another exciting and memorable week in Year 2.

The Year 2 Team

Year 1

This week, the children have been busy exploring the character and feelings of Lila in *Lila and the Secret of Rain*, developing their understanding of emotions and character perspectives through thoughtful discussion. In Mathematics, the children successfully completed their unit on **Time**, which they thoroughly enjoyed. They demonstrated growing confidence in reading and interpreting both analogue and digital clocks. It has also been a wonderfully creative week, with the children designing and making their own moving mechanism posters to promote the importance of sun safety. They took great pride in applying their creativity while learning an important health message. In RE, the children have enjoyed learning about Christening in Christianity and Namkaran in Hinduism, exploring the significance of these special ceremonies and recognising similarities and differences between the two faiths.

Looking Ahead to Next Week

In English, the children will begin the week by writing a recount of their Sports Day, focusing on using time adverbials and adverbs to sequence events and add detail to their writing. Later in the week, they will discuss and share their opinions about *Lila and the Secret of Rain*, while learning the importance of listening respectfully and valuing different viewpoints.

Next week in Math, the children will begin a new unit on Mass and Capacity. They will start by exploring the concepts of heavier and lighter before measuring the mass of a range of objects. They will then compare the mass of different items before moving on to capacity, where they will investigate the concepts of full, empty, nearly full, and nearly empty.

In Phonics, the children will learn the new GPCs **augh**, **our**, **oar**, and **ore**, which can all represent the /or/ sound. They will then spend the remainder of the week revisiting and consolidating the phonics learning covered throughout the term.

In PE, the children will continue to enjoy two PE lessons each week. In one lesson, they will develop their ball control skills through activities that focus on passing and receiving with increasing control and accuracy. They will also begin learning static floor balances, using their core strength to maintain balance and hold a range of positions safely.

In their second PE lesson, the focus will remain on gymnastics. The children will continue to develop their confidence using both small and large apparatus safely. They will build on their climbing, balancing, and landing skills, with an emphasis on controlled movement and safe landings when returning to the floor.

In Science we will investigate how shadows are formed when light from a light source is blocked by a solid object. We will observe and measure our shadows at different times of the day, record how their length changes, and discuss our findings. We will explore when shadows are longest and shortest and make predictions about how shadow lengths change throughout the day.

We will also learn about nocturnal animals and explore what the word nocturnal means. We will compare animals that are active during the day and at night, discuss why different animals have different sleeping patterns, and create a piece of artwork inspired by a chosen nocturnal animal. We will also research and write interesting facts about our animal and share our learning with our class.

In Music we will explore light sources, match them to instrument sounds, and work together to create and record short musical compositions inspired by light.

In Speaking and Listening we will sort and group objects, explain our thinking, share our opinions, and listen respectfully to the ideas of others.

The Year 1 Team

Reception

We had so much fun at Sports Day! The children were fantastic and enjoyed every single event — their teamwork, determination and enthusiasm were wonderful to see. We were incredibly proud of them. Thank you for coming along to cheer them on; your support really helped make the day special.

Looking Ahead to Next Week

Transition Morning - Next week we are looking ahead excitedly to **Transition Morning**. This is an important step for the children as they begin to think about their new classrooms and teachers. Please take a moment to chat with your child about what will happen and share any worries or excitements they may have. These conversations really help them feel settled and confident.

To support this at home, here are a few lovely transition books you might enjoy sharing together:

- *The Invisible String* — a gentle story about feeling connected even when things change
- *Ruby's Worry* — brilliant for helping children talk about their feelings
- *The Colour Monster Goes to School* — a simple, reassuring look at school routines and emotions

These stories are great prompts for conversations and can help children feel more prepared for their move into Year 1.

Maths - Position and Instructions - In maths, we will be learning about **position** and **giving instructions**. The children will explore vocabulary such as *under*, *next to*, *behind*, *forwards*, *turn*, *around* and *between*, and will practise following and giving simple instructions through games, obstacle courses and practical activities. This is always a fun, active unit that builds strong listening and reasoning skills.

Phonics - We are continuing to work hard on reading **longer words** and practising writing **root words** ending in:

- **–ing**
- **–ed** (t/id/ed/d endings)

The children are showing great focus with this, and a little practice at home — sounding out, spotting the root word and saying the ending aloud — will help reinforce what they're learning in school.

New Topic – Under the Sea - Next week we begin our **Under the Sea** topic, which we know the children will absolutely love. We'll be exploring sea creatures, ocean habitats and what life is like under the waves. The children will take part in lots of water-based activities, small-world play and creative tasks linked to the ocean.

They'll have opportunities to:

- investigate floating and sinking
- explore textures like sand, shells and water
- create simple ocean artwork
- learn about a range of sea animals and where they live

It's a calm, imaginative topic that always captures their curiosity — we can't wait to dive in and see what they discover.

Allotment Trip - We are really looking forward to our **allotment trip** and can't wait to see how much has changed since our last visit. The children have been talking about what they hope to find growing there, and it will be lovely to revisit the space and notice the changes together.

Have a lovely weekend — we're looking forward to another great week ahead.

The Reception Team

Nursery

Dear Parents and Carers,

We have had a wonderful week in Nursery!

This week, we have been learning about **unusual homes**. The children thoroughly enjoyed sharing their knowledge and ideas with their friends, and it was lovely to hear the discussions they had together.

In **Maths**, we explored **3D shapes** and looked for examples of these shapes in our environment.

In **Phonics**, we learned the letter sound **'nk'** and enjoyed practising words that contain this sound.

Kind Reminders

Next Tuesday is our **Transition Morning**. Children who will be moving into Reception at our school will have the opportunity to spend the morning in their new classroom and experience a Reception class session.

Please ensure your child arrives at school **on time** so they can begin their Reception morning promptly at **9:00 am**.

As the warm weather continues, we kindly ask that you:

- Send your child with a **clearly labelled sun hat**.
- Apply **sun cream** before your child comes to school.
- Avoid sending children with **sunglasses**, unless they are prescribed.
- Ensure that **all clothing is clearly labelled**, as children will be taking items on and off more frequently throughout the day.

Thank you for your continued support.

We wish you all a lovely weekend!

Kind regards,

The Nursery Team

WHITEHEATH INFANT SCHOOL 🎵

EXTRA-CURRICULAR CLUBS – SUMMER TERM 2026

External clubs will be available from **week commencing Monday 20th April** to **week commencing Monday 13th July 2026**.

Please note, there will be **no clubs during half-term week (Monday 23rd May – Friday 29th May)** 🤸

To book your child's place, please **contact the clubs directly** using the details below.

Free Trial Session and £40 discount at Perform

Popular children's drama and dance school Perform is offering a Free Trial Session and a **special introductory discount of £40 for members of Whiteheath Infant and Nursery School** if they sign up by Tuesday 22nd September 2026. Parents should quote WHTX220926 when they book their free session by going to perform.org.uk/try or calling 020 7255 9120.

You can find out more about the classes at perform.org.uk/try. Alternatively, pdf flyers can be downloaded from here.

Click to find your nearest classes or view a list of all areas.

Now showing, CONFIDENCE!

Drama, dance & singing classes
designed to help 4–12 year olds shine

"My son has adored his first term at Perform. He has blossomed and I've seen his confidence grow every week."
Pippa Wotton

PERFORM
WATCH YOUR CHILD SHINE

Play is a POWERFUL THING

Perform classes help boost children's **confidence, concentration, coordination** and **communication** skills, as well as being lots of fun.

Our expertly designed drama, dance and singing sessions for 4-7s and 7-12s are run by experienced teachers, hand-picked for their warmth and approachability. They'll be with your child every step of the way – inspiring and encouraging them to develop vital life skills as they discover the joy of performing.

What does Perform offer?

- Performing arts-based games and exercises
- Focus on a different social skill each week
- Small classes and feedback on your child's progress
- Specially created scripts, videos and apps
- End of term presentation for family and friends

"Perform helps develop all key areas of a child in a fun, supportive and engaging way. It gives my daughter a brilliant sense of fun, community, purpose and pride in her achievements."
Begum Bari

Ready to try for free?

Your child's first class is free, so why not give it a go? Classes take place all over, have a look online or call us:
