Head Teacher's Update

Dear families,

I would like to begin by thanking all of our wonderful staff for working so hard this week to keep classrooms cool, children calm and learning continuing despite the heatwave and the lack of air-conditioning. Everyone has pulled together brilliantly. I hope that offering the optional early pick-up has helped families to manage the heat while still enabling us to remain fully open for those who needed childcare and continuity.

Year 2 had a very special visitor this week, bringing along an exciting collection of animals. It was magical watching the children hold and learn about creatures such as an owl, skunks, a scorpion and even a tarantula. The owl swooping through the classroom — and happily tucking into some chicken — was a moment they will remember for a long time.

On Thursday, Year 2 also visited the Junior School for their buddy morning. We swapped the usual arrangement so that the children could enjoy the benefit of the Juniors' air-conditioned spaces. They had a lovely time meeting their buddies and beginning to build those important transition relationships.

Thank you again for your support during this unusually hot week. Take care over the weekend and stay safe in the sunshine.

Mrs Hall

Headteacher

SCHOOL NEWS & EVENTS

Weekly Attendance by Class

15th June – 19th June 2026

Class	Attendance %
Nursery	88.5%
Wrens	93.3%
Swans	98.4%
Ducklings	95.2%
Doves	92.5%
Robins	97.9%
Puffins	96.2%
Swallows	96.3%

Class of the Week: Swans (98.4%)

Absences and Appointments

We would like to remind parents of our reporting procedures when children are absent from school. Parents **must** call the school by 9am on the first day of absence and each day following.

Messages sent via Class Dojo are **not** monitored by admin and attendance staff.

Similarly, if a child has an unavoidable medical appointment during the school day, parents **must** inform the school office **before** arriving to collect the child **and** support

Non-Uniform Day!

As you will be aware we have had to move the date of our WISA Mr Frosty show – the new date is Monday 6th July. This means our non-uniform day has also moved which gives us more time to reach our fundraising target! The link to the Just Giving page was sent out earlier this week but you can also access it here: https://www.justgiving.com/page/whiteheath-infant-non-uniform-2026

Parking Reminder

We kindly remind all parents and carers that the staff car park is **strictly for school staff only** and should not be used at any time of the day—this includes drop-off, pick-up, and after-school club times. As parking spaces are very limited, we ask that you please use the main road outside the school for parking. Your cooperation helps keep our school running smoothly and ensures a safe environment for everyone. Thank you for your continued support!

A Invitation from Hillingdon Council

We're pleased to invite families to a fun-filled afternoon at the Mayor's Picnic in the Park!

Date: Saturday 11 July 2026
Time: 12:00pm - 5:00pm
Location: The Closes, Church Close, West Drayton UB7 7PY
Cost: FREE

Enjoy a relaxed afternoon of live music, entertainment, and community fun. Bring along your picnic, something comfortable to sit on, and make the most of this great family day out!

More details here - The Mayor's Picnic in the Park | Hillingdon Council

In preparation for our Pre Loved Uniform sale we would like to ask for donations of the following items, all in good condition and washed please –

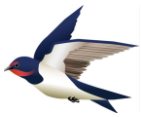

- Logo jumpers, cardigans or T-shirts for Infants and Juniors
- Grey uniform - trousers, skirts & dresses
- Green summer dresses
- Logo book bags
- PE shorts / bottoms

(NO WHITES NEEDED)

Please leave in the brown boxes in the outdoor classroom at the front of school or in front of reception.

Thank you!

Year 2

Year 2 – Summer 2 Week 5

We have had another wonderful week of learning in Year 2 despite the extremely hot weather and the recent red weather warning. To help keep everyone safe, we adapted parts of our timetable throughout the week. We were incredibly proud of how sensible and responsible the children were—they listened carefully, stayed hydrated and coped brilliantly with the changes. We are now looking forward to another exciting week of learning, including Sports Day and our visit to meet the Year 3 teachers.

Next Week

Maths - In Maths, the children will be learning about statistics by collecting, recording and interpreting data using tally charts. They will also revisit time by exploring the number of hours in a day before completing an assessment to celebrate all of their learning.

English - On Monday and Tuesday, the children will finish reading *The Hodgeheg* and complete timelines to sequence the key events in the story. Later in the week, they will use their learning to write a recount, focusing on organising events in chronological order and using time conjunctions to support their writing.

Art - The children will continue creating artwork for our Year 2 assembly, focusing on future jobs and helping to prepare displays and props for the performance.

Science and Computing - The children will continue working in groups across Science and Computing. In computing, they will further develop their power point skills to produce a poster on an endangered animal, while in science they will continue building their understanding on how animal bodies are adapted to survive.

Special Events - On Tuesday morning, the children will visit the Year 3 classrooms and meet the Year 3 teachers as part of their transition to Key Stage 2. This will be a lovely opportunity for them to become familiar with their new learning environment ahead of September.

We are also looking forward to **Sports Day on Thursday morning (9.00–10.15am)**. We hope the children enjoy taking part in a range of sporting activities and show excellent teamwork, determination and sportsmanship.

Assembly rehearsals will continue throughout the week as we make our final preparations.

PE - There will be **no Forest School this week** as we will be practicing our Sports Day events instead.

Reminders

- Please continue to read regularly at home and record this in your child's reading record.
- Guided Reading sessions will take place on Tuesday, Wednesday and Thursday.
- Reading books, homework and spellings will be sent home on Thursday.
- Library visits will take place on Friday. Please ensure library books are returned.
- Please ensure all clothing is clearly labelled.
- Children will continue assembly rehearsals throughout the week.
- **Please ensure your child comes to school in their PE kit on Wednesday for Sports Day practice.**
- **Sports Day will take place on Thursday from 9.00–10.15am. Please ensure your child also wears their PE kit on Thursday, brings a named water bottle and has sun cream applied before school if needed.**

Thank you for your continued support. We are looking forward to another enjoyable and successful week of learning in Year 2.

The Year 2 Team

Year 1

It has been a very hot week; however, despite the high temperatures, the children have continued to make lovely progress in their learning. We were able to teach our normal lessons in the mornings and, on Tuesday, Wednesday and Thursday afternoons, the children enjoyed arts and crafts, a movie, and small-world play activities. They learnt about expanded noun phrases and used them to describe Maasai huts. They made their own Maasai huts, which we will later assemble into a mini Maasai village. In Mathematics, the children started a new topic on Time. They have learnt about the days of the week, the months of the year, and the concepts of before and after. Due to the hot weather, we did not take part in PE lessons this week.

Looking Ahead to Next Week
In English we will continue to explore the rich descriptive language in our class text, *Lila and the Secret of Rain*, before creating our own expanded noun phrases. We will also be focusing on character feelings, describing how characters feel at different points in the story and explaining the reasons for their emotions. Later in the week, we will continue to develop our skills in writing dictated sentences and take part in a range of grammar-focused games and activities.

In Math, we will continue our unit on Time. At the beginning of the week, the children will learn how to tell the time to the hour and half past the hour. This will be followed by an end-of-unit assessment on Time.

In Phonics, we will be learning the sounds **ti** (potion), **ssi** (mission), **si** (mansion) and **ci** (delicious). We will also be learning the tricky words: **busy, beautiful, pretty, hour, any, many** and **through**.

In PE, We will be practicing for Sports Day, which will be held on Thursday 2nd July 2026.

In Science, we will be learning about the Sun and how it provides light, heat and solar energy. The children will explore more about how to stay safe in the sun and investigate how solar power can be used as a renewable energy source through practical activities and experiments.

In Design and Technology (DT), we will be developing our skills by exploring different mechanisms, including sliders and levers. The children will use these techniques to create a moving leaflet that shares important sun safety messages.

In RE, we will be comparing Christian and Hindu baby welcome ceremonies. The children will explore the similarities and differences between Baptism and Namkaran, learning how different religions welcome new members into their communities.

In PSHE, we will be learning about responsibility by planting sunflower seeds and caring for them as they grow. The children will learn what plants need to stay healthy and will work with a chosen friend to help look after their sunflower, developing responsibility, teamwork and caring skills.

Notices:

Library books to be returned on Wednesdays please.

Robins PE – Monday and Wednesdays

Doves PE – Tuesday and Wednesdays

Dates to note:

2nd July 2026: Sports day

6th July 2026: Magic show for Year 1 and Year 2

7th July 2026: Class swap day

Reception

What a sunny week we had last week! The Reception children coped so well with the heat and really enjoyed regular cooling-down time in the garden — spraying the hose, dipping our feet in water trays and finding cool spots to relax in in the classroom. Fingers crossed for a slightly cooler week ahead.

Learning Next Week

Maths – Patterns

Next week in maths, we will be exploring **repeating patterns**. The children will be creating their own pattern rules, spotting mistakes in patterns and replicating patterns using colours, shapes and objects.

Drawing Club

We will be enjoying our **final three Drawing Club texts** of the year:

- *Billy's Bucket*
- *The Girl Who Loves Bugs*
- *The Pirates Are Coming!*

It has been such a joy exploring Drawing Club with the children this year — their imagination, confidence and writing progress have been phenomenal.

Dimensions Topic – No Place Like Home (Continued)

Our topic continues next week, and we are looking forward to exploring **habitats** as part of this. We will be learning about a range of animals and thinking about why different creatures live in different environments.

Sports Day Practice

Next week we will also be practising for **Sports Day**, and the children are already very excited. Sports Day will take place on **Thursday- please don't forget to send your child in in their PE kit with a hat.**

Nursery

Dear Parents and Carers,

We have had a wonderfully busy and very warm week in Nursery!

The children have done an excellent job coping with the hot weather. They have been drinking plenty of water and have been very sensible, making sure to play in the shade throughout the day.

This week, we have been learning about pets and wild animal habitats. The children enjoyed sharing their knowledge with their friends and loved creating their own animal puppets. They were very proud to put on a fantastic puppet show using their creations.

In Maths, we explored animal patterns and practised matching different patterns to the correct animals. The children showed great concentration and enthusiasm during these activities.

In Phonics, we learned the letter sound **'th'** and enjoyed practising words that contain this sound.

Kind Reminders

As the weather continues to be warm, please remember to:

• Bring a clearly labelled sun hat.
• Apply sun cream before your child comes to school.
• Avoid sending children with sunglasses unless they are prescribed.
• Ensure all clothing is clearly labelled, as children will be taking items on and off more frequently throughout the day.

We wish you all a lovely weekend.

Kind regards,

The Nursery Team

WHITEHEATH INFANT SCHOOL 🎵

EXTRA-CURRICULAR CLUBS – SUMMER TERM 2026

External clubs will be available from **week commencing Monday 20th April** to **week commencing Monday 13th July 2026**.

Please note, there will be **no clubs during half-term week (Monday 23rd May – Friday 29th May)** 🤸

To book your child's place, please **contact the clubs directly** using the details below.

Free Trial Session and £40 discount at Perform

Popular children's drama and dance school Perform is offering a Free Trial Session and a **special introductory discount of £40 for members of Whiteheath Infant and Nursery School** if they sign up by Tuesday 22nd September 2026. Parents should quote WHTX220926 when they book their free session by going to perform.org.uk/try or calling 020 7255 9120.

You can find out more about the classes at perform.org.uk/try. Alternatively, pdf flyers can be downloaded from here.

Click to find your nearest classes or view a list of all areas.

Now showing, CONFIDENCE!

Drama, dance & singing classes
designed to help 4–12 year olds shine

"My son has adored his first term at Perform. He has blossomed and I've seen his confidence grow every week."
Pippa Wotton

PERFORM
WATCH YOUR CHILD SHINE

Play is a POWERFUL THING

Perform classes help boost children's **confidence, concentration, coordination** and **communication** skills, as well as being lots of fun.

Our expertly designed drama, dance and singing sessions for 4-7s and 7-12s are run by experienced teachers, hand-picked for their warmth and approachability. They'll be with your child every step of the way – inspiring and encouraging them to develop vital life skills as they discover the joy of performing.

What does Perform offer?

- Performing arts-based games and exercises
- Focus on a different social skill each week
- Small classes and feedback on your child's progress
- Specially created scripts, videos and apps
- End of term presentation for family and friends

"Perform helps develop all key areas of a child in a fun, supportive and engaging way. It gives my daughter a brilliant sense of fun, community, purpose and pride in her achievements."
Begum Bari
