School Terms Ends	Tuesday 21st July at 12.20

Please see our website for term dates/holidays. Updates/changes in red.

Head Teacher's Update

We have had such a lovely week in school, filled with sunshine, smiles and special moments across our Nursery and Reception teams.

On Monday, Nursery enjoyed their **Sports Day and Teddy Bears' Picnic**, and it was wonderful to see so many families joining us. The children took part with such enthusiasm, and the atmosphere was full of excitement. A real highlight was the **Year 2 dressing-up race**, where our Nursery children ran back and forth with a range of items to dress up the Year 2s — it was absolutely brilliant to watch and brought lots of laughter. A huge thank you to all our parents and carers for coming along, and to the Nursery team for organising such a joyful morning.

This week, **Puffins** also spent time gardening with Mrs Ross, exploring the school garden and learning how to care for the plants. They showed great teamwork and curiosity as they worked together outdoors.

We were delighted to welcome our **new Reception families** into school for their individual meetings as we begin preparing for transition. It has been lovely meeting everyone and starting to build those early relationships that help children settle so confidently in September.

Today we also held our **WISA meeting**, where we discussed upcoming events and shared ideas for how to use the funds raised this year to further enrich the children's experiences. Thank you to our wonderful WISA team for their continued support and creativity.

To end the week, Nursery were treated to a visit from a **petting zoo**, which was a magical experience for the children. They were so kind, gentle and caring with the animals, showing real curiosity and empathy as they learned about each creature. It was a calm, happy session that the children absolutely loved.

Wishing all our families a restful weekend ahead.

Mrs Hall

Headteacher

SCHOOL NEWS & EVENTS

Weekly Attendance by Class

8th June – 12th June 2026

Class	Attendance %
Nursery	89.8
Wrens	90.0
Swans	92.4
Ducklings	91.9
Doves	93.2
Robins	98.3
Puffins	93.1
Swallows	96.0

Class of the Week: Robins (98.3%)

Absences and Appointments

We would like to remind parents of our reporting procedures when children are absent from school. Parents **must** call the school by 9am on the first day of absence and each day following.

Messages sent via Class Dojo are **not** monitored by admin and attendance staff.

Similarly, if a child has an unavoidable medical appointment during the school day, parents **must** inform the school office **before** arriving to collect the child **and** support

Non-Uniform Day!

On Thursday 25th June we are inviting all children to come in dressed in their own clothes! A Just Giving page will be set up and sent out to parents on Monday! Please keep an eye out for a Class Dojo update with the link!

Parking Reminder

We kindly remind all parents and carers that the staff car park is **strictly for school staff only** and should not be used at any time of the day—this includes drop-off, pick-up, and after-school club times. As parking spaces are very limited, we ask that you please use the main road outside the school for parking. Your cooperation helps keep our school running smoothly and ensures a safe environment for everyone. Thank you for your continued support!

Pre-loved uniform donations wanted!

In preparation for our Pre Loved Uniform sale we would like to ask for donations of the following items, all in good condition and washed please – •**Logo jumpers, cardigans or T-shirts** for Infants and Juniors •**Grey uniform - trousers, skirts & dresses** •**Green summer dresses** •**Logo book bags** •**PE shorts / bottoms** (NO WHITES NEEDED)
Please leave donations in the brown boxes in the outdoor classroom at the front of school or in front of the school office. Thank you!

🌟 **Increase in Wraparound Childcare Places**

From Monday 8th June, we are increasing the number of places available in our wraparound childcare provision due to popular demand.

🌅 Our morning provision will now be referred to as Early Morning Wraparound Care. This runs from 7:30am to 8:40am and includes breakfast for children attending.

🌈 We are also increasing the number of places available in our After School Wraparound Care provision.

📌 Please remember that all places must be booked in advance through the usual booking system. Staffing is arranged based on the number of children booked, so bookings must be made before the booking window closes.

In preparation for our Pre Loved Uniform sale we would like to ask for donations of the following items, all in good condition and washed please –

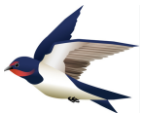

- Logo jumpers, cardigans or T-shirts for Infants and Juniors
- Grey uniform - trousers, skirts & dresses
- Green summer dresses
- Logo book bags
- PE shorts / bottoms

(NO WHITES NEEDED)

Please leave in the brown boxes in the outdoor classroom at the front of school or in front of reception.

Thank you!

Year 2

We have had another wonderful week of learning in Year 2 and are looking forward to an exciting week ahead. The children have continued to show great enthusiasm for our Going Wild topic and have been working hard in all areas of the curriculum. We are especially excited about our upcoming Exotic Animal Visit and continuing preparations for our Year 2 assembly.

Next Week

Maths - We will continue developing our understanding of time. The children will practise telling the time to 5-minute intervals and will learn about the number of minutes in an hour and hours in a day. Towards the end of the week, the children will complete a revision assessment and take part in fun maths games to consolidate their learning.

English - In English, the children will be researching information about road safety before creating their own informative road safety posters. They will also be completing timelines and continuing to develop their reading comprehension and writing skills.

Art - The children will be creating head-dresses for our Year 2 assembly performance.

Dimensions – Going Wild - Our Going Wild topic continues across the curriculum. In Science, the children will revisit animal classification. They will learn about the differences between vertebrates and invertebrates and practise sorting animals into the groups of birds, fish, amphibians, reptiles and mammals. In Computing, the children will continue developing their multimedia PowerPoint presentations. They will add pictures and text to their endangered animal presentations, building on the research they have already completed.

Special Events - We are very excited to welcome some special visitors for our **Exotic Animal Visit**. This will provide the children with a fantastic opportunity to learn about a range of animals first-hand and support our learning within the Going Wild topic. The children will also continue taking part in rehearsal sessions throughout the week as they prepare for their Year 2 assembly performance.

PSHE and PE - In PSHE, the children will continue with our Workout unit, focusing on keeping healthy and active. PE lessons will continue this week, helping the children develop their core physical skills, coordination and teamwork.

Reminders

- Please continue to read regularly at home and record this in your child's reading record.
- Guided Reading sessions will take place on Tuesday, Wednesday and Thursday.
- Reading books, homework and spellings will be sent home on Thursday.
- Library visits will take place on Friday. Please ensure library books are returned.
- PE lessons continue this week. Please ensure your child has the correct PE kit in school.
- Please ensure all clothing is clearly labelled.
- Children will continue assembly rehearsals throughout the week.

Thank you for your continued support. We are looking forward to another exciting week of learning in Year 2.

The Year 2 Team

Year 1

Another fantastic week in Year 1! The children have thoroughly enjoyed making predictions about our new class book and writing detailed setting descriptions in English. In Mathematics, we began our new unit on Money, learning about coins and notes. The children took part in a fun role-play shopping activity, where they practised using money to pay for different items and developed their understanding of value. In Art, the children continued to build on their shading skills and applied these techniques to observational drawings. It has been wonderful to see their confidence and creativity grow.

Looking Ahead to Next Week

In English, we will be exploring the rich descriptive language used in our class text, *Lila and the Secret of Rain*. The children will then use this as inspiration to write their own expanded noun phrases by adding two adjectives before a noun, for example: *the dark, stormy clouds*. They will be making huts out of clay and they will use expanded noun phrases to describe their huts. To end the week, the children will be writing their own fact-file about Kenya.

In Mathematics, we will begin our new unit on Time. The children will start by consolidating their knowledge of the days of the week and the months of the year. They will then learn about the hour hand, minute hand and second hand before moving on to telling the time to the hour.

In Phonics, we have now moved on to our Summer 2 learning, introducing new graphemes in preparation for Year 2. The children will be learning the graphemes **su** (as in *treasure*), **si** (as in *vision*), **dge** (as in *bridge*), **y** (as in *crystal*) and **ge** (as in *large*). We will also be practising the tricky words: *friend, eye, because, move, improve, laugh, parents* and *shoe*.

Year 1 have two PE lessons each week. In one lesson, the children have been developing their ball control skills through activities that focus on passing and receiving a ball with increasing control and accuracy. They will soon move on to static floor balances, learning how to use their core and body muscles to maintain balance and hold different positions safely. The second PE lesson focuses on gymnastics. The children have been learning how to use both small and large apparatus safely and confidently. They are developing their climbing, balancing, and landing skills, with an emphasis on moving safely and demonstrating controlled landings when returning to the floor.

In science, we will be learning that we need light to see and that darkness is the absence of light. The children will identify and explore different sources of light, including electric lights, and discover that the Sun is the strongest natural light source. They will also learn about sun safety and discuss ways to protect themselves from the Sun, including wearing hats, sunglasses and sunscreen.

In Design and Technology, we will be exploring mechanisms, including sliders and levers. The children will investigate how simple pop-up mechanisms work and plan a sun safety leaflet with a slider/lever mechanism.

In Computing, we will be using the data collected during our bread tasting session to create a pictogram using software.

In RE, we will be exploring how Hindu people welcome new members into their community. We will learn about a special naming ceremony that takes place when a baby is born and why it is important to Hindu families.

In PSHE, we will be learning about emotions and how to cope with feelings such as sadness, loss and change. Through discussions, stories and circle time activities, the children will explore healthy ways to express their emotions, support others and develop strategies to help them manage difficult feelings.

In History, we will be investigating a mystery object and discussing what it might have been used for. The children will learn that objects can have different types of value and explore how old items can be reused or upcycled instead of being thrown away.

Thank you for your continued support

Reception

We have had a lovely week in Reception and have really enjoyed learning about different types of homes. The children loved telling their friends all about their own homes and working out what type of house they live in. They were so confident and proud of their ideas.

Learning Next Week

Drawing Club

Drawing Club will continue with **three new texts** for the children to explore. They are trying so hard with their writing at the moment — any practice they can do at home would be fantastic and really help get them Year 1 ready.

Maths

In maths, we will be having a real push on **number formation** to help the children get Year 1 ready. Correcting any reversals at home will make a big difference. We will also continue looking at **grouping**, before moving on to **doubling numbers**. You can explore doubling at home with some of the following ideas-

 Double with snacks — Give your child 3 raisins and say, “Can you double it?” They add 3 more to make 6.

 Teddy’s tea party — Teddy has 2 biscuits. To double it, Teddy gets 2 more.

 Lego doubling towers — Build a tower of 4 bricks, then build another tower the same to show “double 4”.

 Sock pairs — Lay out 1 sock, then double it by adding another. Try with 2, 3, 4.

Dimensions Topic – No Place Like Home

Our topic will continue next week. This week we will be learning about **homes around the world**, thinking about why houses are built in differently in different countries.

Messages

- The weather is looking very hot next week — please make sure your child brings a **water bottle** every day.
- Please leave **jumpers at home** in the hot weather.

Nursery

Dear Parents and Carers,

We have had a wonderfully busy and exciting week in Nursery!

The children did a fantastic job at our Sports Day and showed great enthusiasm, determination, and teamwork throughout the morning. It was lovely to see everyone taking part and having so much fun.

We also enjoyed a very special Teddy Bear Picnic. Thank you to all the families who helped make the event so memorable. The children loved sharing this experience with their friends and teddies.

This week, we were also busy creating our special Father's Day projects. The children had the opportunity to practise their writing and name-writing skills, as well as express their creativity through meaningful drawings while recreating lovely pictures of their dads.

To finish the week, we welcomed some special animal visitors on Friday. The children had a wonderful time meeting the animals and learning interesting facts about them.

Kind Reminders

As the weather becomes warmer, please remember to:

- Bring a labelled sun hat.
- Apply sun cream before coming to school.
- Avoid sending children with sunglasses unless they are prescribed.
- Ensure all clothing is clearly labelled, as children will be taking items on and off more frequently throughout the day.

We wish you all a lovely weekend and a very special Father's Day on Sunday. 🌷

Kind regards,
The Nursery Team

WHITEHEATH INFANT SCHOOL 🎵

EXTRA-CURRICULAR CLUBS – SUMMER TERM 2026

External clubs will be available from **week commencing Monday 20th April** to **week commencing Monday 13th July 2026**.

Please note, there will be **no clubs during half-term week (Monday 23rd May – Friday 29th May)** 🤸

To book your child's place, please **contact the clubs directly** using the details below.

Free Trial Session and £40 discount at Perform

Popular children's drama and dance school Perform is offering a Free Trial Session and a **special introductory discount of £40 for members of Whiteheath Infant and Nursery School** if they sign up by Tuesday 22nd September 2026. Parents should quote WHTX220926 when they book their free session by going to perform.org.uk/try or calling 020 7255 9120.

You can find out more about the classes at perform.org.uk/try. Alternatively, pdf flyers can be downloaded from here.

Click to find your nearest classes or view a list of all areas.

Now showing, CONFIDENCE!

Drama, dance & singing classes
designed to help 4–12 year olds shine

"My son has adored his first term at Perform. He has blossomed and I've seen his confidence grow every week."
Pippa Wotton

PERFORM
WATCH YOUR CHILD SHINE

Play is a POWERFUL THING

Perform classes help boost children's **confidence, concentration, coordination** and **communication** skills, as well as being lots of fun.

Our expertly designed drama, dance and singing sessions for 4-7s and 7-12s are run by experienced teachers, hand-picked for their warmth and approachability. They'll be with your child every step of the way – inspiring and encouraging them to develop vital life skills as they discover the joy of performing.

What does Perform offer?

- Performing arts-based games and exercises
- Focus on a different social skill each week
- Small classes and feedback on your child's progress
- Specially created scripts, videos and apps
- End of term presentation for family and friends

"Perform helps develop all key areas of a child in a fun, supportive and engaging way. It gives my daughter a brilliant sense of fun, community, purpose and pride in her achievements."
Begum Bari
