Newsletter

Friday 9th October 2026

Dear Families,

What a wonderful week we have had at Whiteheath! This week, Year 2 treated us to not one but two fantastic Harvest assemblies. The children were absolutely brilliant and were so proud to share their learning with us. The assemblies were filled with beautiful artwork, wonderful singing and thoughtful reflections on the meaning of Harvest. It was lovely to see the confidence of the children as they performed and showcased all that they have been learning. A huge well done to Year 2 and the staff team for all of their hard work.

On a very wet Wednesday, our Year 2 children took part in scooter training. Despite the weather, they showed great enthusiasm and learnt important skills about riding safely both on the playground and when out and about in the community. We hope these sessions help the children to become confident and responsible scooter riders.

Today, we have welcomed many prospective parents to the school, with two busy school tours taking place throughout the morning. As always, it was a real pleasure to show visitors around and see our children engaged in their learning. We are incredibly proud of the behaviour, attitudes and enthusiasm demonstrated across the school. It is always wonderful to hear positive comments from visitors about our caring environment and the high standards our children demonstrate every day.

Looking Ahead to Next Week

Next week is **PANTS Week**, during which all classes will be taking part in lessons designed to help children understand how to keep themselves safe. The NSPCC's PANTS programme teaches children important messages about personal safety in an age-appropriate and child-friendly way. We encourage families to talk to their children about what they have learnt throughout the week.

We are also looking forward to welcoming **Dimensions** to Whiteheath on Wednesday. They will be visiting to see our wonderful school in action, and we are excited to showcase all of the fantastic learning that takes place every day.

On Thursday, our Year 1 and Year 2 children will be enjoying a special **Magic Show** after school. We are sure this will be a memorable experience and a real treat for the children.

Finally, please do join us for the **WISA Coffee Morning** next Friday. These events are always a lovely opportunity to meet other parents, enjoy a chat and strengthen our school community. We hope to see many of you there.

Thank you, as always, for your continued support. Have a wonderful weekend and we look forward to welcoming everyone back to school on Monday.

School News, Events & Updates

Weekly Attendance by Class

Class	Attendance %
Nursery	93.3
Wrens	88.8
Swans	86.0
Doves	96.8
Robins	98.8
Owls	96.9
Puffins	93.7
Swallows	97.7

Weekly Attendance Winners: Robins! (98.8%)

Reporting Your Child's Absence

A reminder that **ClassDojo should not be used to report your child's absence from school**.

If your child is unable to attend school, parents and carers must **contact the School Office on each day of the absence** using one of the following methods:

- Call the School Office directly
- Leave a message on the **absence line**
- Email the School Office

Please provide your **child's name, class and the reason for their absence** when contacting us.

Reporting absences directly to the School Office ensures that we receive the information promptly and can maintain accurate attendance and safeguarding records.

Birthday Celebrations in School

We love celebrating birthdays and making each child feel special on their big day!

A gentle reminder that we ask families **not to bring sweets, treats or gift bags to hand out to children at the classroom door**. Birthdays will be celebrated with the child and their classmates in school.

If you would like to mark your child's birthday in another way, families are very welcome to **donate a book to their child's class** for everyone to enjoy. This is a lovely way to celebrate their special day while adding something lasting to the class library.

Thank you for helping us make birthdays special, inclusive and enjoyable for everyone.

Important Playground & Safety Reminders

To ensure the safety of all children and families during the busy drop-off and pick-up times, please follow these guidelines:

-**Bikes and Scooters:** Students **must** dismount from their bikes and scooters as they enter the school gates. Please then walk them directly to the respective bike and scooter shelters.

- **After-School Dismissal:** For safety reasons, scooters are not permitted on the playground at pick-up time. Children must be walked around to collect their scooters from the shelter/rack after they have been dismissed.
- **Playground Equipment:** School playground equipment is closed before and after school. Children are not permitted on the equipment outside of school hours.

Thank you for your ongoing cooperation in keeping our school community safe

School News, Events & Updates

PANTS Week

Next week, all classes will be taking part in a **PANTS lesson** as part of our safeguarding curriculum. These age-appropriate lessons help children understand important messages about personal safety, healthy boundaries and speaking to a trusted adult if they are worried about something.

Using the NSPCC's child-friendly PANTS rules, children learn that:

- **P**rivates are private
- **A**lways remember your body belongs to you
- **N**o means no
- **T**alk about secrets that upset you
- **S**peak up, someone can help

The lessons are carefully tailored for infant-aged children and delivered in a sensitive, reassuring and age-appropriate way. Our aim is to help children develop confidence, understand that their body belongs to them and know who they can talk to if they ever feel worried or uncomfortable.

If you would like to find out more about the PANTS campaign and access resources to support these conversations at home, please visit the NSPCC website.

As always, keeping children safe is at the heart of everything we do.

Voluntary Contributions to Our School

We are pleased to let parents and carers know that there is now an option to make a voluntary contribution to our school through the SchoolMoney app. Donations are greatly appreciated and will help us provide additional resources, enriching experiences and opportunities for our children. We understand that every family's circumstances are different, and we would like to reassure parents that contributions are entirely optional, with absolutely no expectation or obligation to donate. We are incredibly grateful for the continued generosity and support of our school community. Every contribution helps us make a positive difference to the children's school experience.

Thank you for your ongoing support

Nursery Applications – September 2027

Are you looking for a Nursery place for your child for **September 2027**?

A reminder to families that **Nursery applications close in January 2027**.

If you would like information about applying for a Nursery place at our school, including details of the application process, please **contact the School Office**, who will be happy to help and provide you with everything you need to apply.

🏫 Applying for a School Place – September 2027

Nursery parents will have received information about **applying for a primary school place for September 2027**.

If your child was born between **1 September 2022 and 31 August 2023**, it is now time to submit their application for a full-time school place.

Please refer to the email/Class Dojo post shared earlier this week, which contains all the key details you need. You can also find the full guidance online via the London Borough of Hillingdon website: http://www.hillingdon.gov.uk/schooladmissions

The closing date for applications is **Friday 15 January 2027**.

Please remember that it is each parent's responsibility to apply for a full-time school place. Even if you already have an older child at a school, a **separate application** must be completed for younger siblings. If you need help with **school admissions**, please get in touch.

🏫 Year 2 – Applying for Junior School (September 2027)

Year 2 parents were contacted via email/Class Dojo regarding **applying for a Junior School place**.

While Whiteheath Junior School is our feeder school, you **must still submit an application** if you wish for your child to attend there in September 2027. A separate application is required for every child, regardless of siblings already attending.

The closing date for applications is **Friday 15 January 2027**. Applications submitted after this date will be considered **late**, and your child may not be guaranteed a place.

Please note that the Infant School is **unable to submit applications on your behalf**. If you need help with **Junior School admissions**, please get in touch.

Individual Photo Day

MONDAY
12 October

Please ensure your child comes to school in **full school uniform** on this day.

We can't wait to see lots of lovely smiles!

🐓 **Kingfishers Wrap Around Club – More Spaces Available!**

We're pleased to let families know that we have **expanded the number of places available in our Kingfishers Wrap Around Club**. 🎉

Our club provides **safe, friendly and convenient before- and after-school care** in a familiar school environment. 🏫💚

💷 **Need help with childcare costs?**
Families may be eligible for financial support with childcare. Visit the Government's **Best Start in Life** website to find out what help may be available:

🔗 **www.beststartinlife.gov.uk**

🌿 **Find out more about Kingfishers Wrap Around Club,** including our provision and how to book:

🔗 **https://whiteheathinfant.secure-primarysite.net/wrap-around-school-clubs/**

🍎 FREE SCHOOL MEALS – PLEASE COMPLETE AN ELIGIBILITY CHECK

Did you know that even though **all Whiteheath children in Reception, Year 1 and Year 2 already receive free school meals,** it is still important to check whether your child qualifies for **benefits-related Free School Meals**?

💷 An eligible child may bring **up to £1,550 in additional Pupil Premium funding** into our school to support learning, wellbeing and opportunities.

🌼 Eligibility may also give families access to additional support such as the **Holiday Activities and Food (HAF) programme**.

📢 **Free School Meals eligibility has expanded from September 2026,** including children from households receiving Universal Credit, so please check even if you have applied before or think you may not qualify.

☑ Checking does not mean your child has to eat a school meal every day.

👉 **Complete the quick eligibility check here:** https://fsm.lgfl.net/

Year 2

What a wonderful week we have had in Year 2!

The children did a **brilliant job in our Harvest Assembly** and we are incredibly proud of them. They performed with such confidence and enthusiasm, and it was lovely to see so many of you there to support them. Thank you for coming to watch — we hope you enjoyed the performance as much as we did!
A huge **thank you for all of your generous donations to Hillingdon Foodbank**. Through our Harvest celebrations, the children have developed a wonderful understanding of what charity means and the importance of giving to others, particularly at Harvest time. We are very proud of the thoughtful and caring attitudes they have shown.
The children also took part in **Scooter Training** this week, learning how to use their scooters safely and responsibly. Despite the rainy weather, they had a fantastic time and enjoyed putting their new skills into practice!

Looking Ahead

Next week in **English**, we are returning to our much-loved book *I Want My Hat Back* and will be developing our **letter-writing skills**. We will also be enjoying some grammar lessons focusing on **nouns, adjectives and sentence structure**.
In **Maths**, we are moving on to our new topic of **Addition and Subtraction**. We will begin by revisiting our **number bonds to 10** before moving on to **fact families**, exploring how numbers in a number sentence can be rearranged while still reaching the same mathematical outcome.

We also have some exciting **Science** lessons planned for our Dimensions topic 'Mobile Mystery' next week. The children will be carrying out their very own investigation using **string cup telephones**, exploring how sound travels and having lots of fun along the way. In Computing, we will be writing a script for a Podcast and recording our voices on the school ipads which we are sure the children will really enjoy. Our RE lesson will continue with a focus on charities and we are looking at specific religious charities including Christian Aid and Islamic Aid.

We are looking forward to seeing your amazing Alexander Graham Bell posters that you have been busy creating for your homework over the past two weeks - please bring them in on Monday or Tuesday next week.

Weekly Reminders

- **Monday:** Please return reading books
- **Tuesday:** Please return home learning folders
- **Wednesday:** PE
- **Friday:** PE, spelling test and return library books

Well done Year 2 for another fantastic week! We are looking forward to another busy and exciting week of learning.

Have a lovely weekend. **The Year 2 team**

Next week in Maths, we will begin by learning how to compare and order three numbers, arranging them from greatest to smallest and from smallest to greatest. We will then build on this learning by exploring how to use a number line to help us identify and compare numbers. Towards the end of the week, the children will complete their first Maths assessment, which will focus on their understanding of place value to 10.

In PSHE, we will also be completing a lesson on the PANTS rule. The children will learn about the importance of keeping their private parts private, understanding appropriate boundaries, and identifying trusted adults they can speak to if they ever feel worried or need help.

In English, we will be continuing our story of 'The Egg Box Dragon'. We will be introducing adjectives and encouraging children to combine these using 'and'. They will be completing their second independent writing in Year 1. They will also be writing sentences to retell the story so far and making lost posters for something else he could find.

In Phonics, we are also assessing the children on what has been taught so far.

As part of our 'Happily Ever After' topic we will be introducing the word 'algorithm' in Computing and creating our own ones. We will use drama to retell the story of 'The Princess and the Frog'. In Forest School we are continuing our 4 seasons project.

Monday 12thOctober: Individual photos

Thursday 15th October: Mr Frostie magic show

Wrens

Reception

Swans

We have had a lovely week in Reception and the children have particularly enjoyed making the most of the beautiful autumn sunshine. They have spent lots of time exploring and learning in our outdoor environment, working together, being creative and developing their confidence through play.

A highlight of the week has definitely been **Forest School**, where the children loved making their own bird feeders. They were so engaged in the activity and enjoyed learning about how we can help care for wildlife, especially as the weather begins to change. It was wonderful to see their enthusiasm and sense of achievement as they created something to help the birds.

Looking Ahead to Next Week

Happy to Be Me: Our Families

Next week will be our final week exploring our **Happy to Be Me** theme. We will be focusing on **our families**, celebrating the people who are special to us and the things that make every family unique.

The children will have opportunities to:

- Share family photographs
- Talk about family traditions and celebrations
- Discuss family holidays and special memories
- Create family portraits
- Explore similarities and differences between families

We are looking forward to some lovely discussions and helping the children celebrate the people who are important in their lives.

Phonics

Next week we will be **recapping all of the sounds we have learned this half term** and consolidating the children's understanding before moving on after the break.

I am sure you have noticed how much more confident the children are becoming with their blending. We have been incredibly impressed with their enthusiasm and progress, and next week will provide lots of opportunities to revisit, practise and strengthen these important early reading skills.

Please continue to practise sounds at home whenever possible and celebrate the fantastic progress your child is making.

Maths - Exploring 1, 2 and 3

In maths next week, we will be developing our understanding of the numbers **1, 2 and 3**.

The children will be:

- Recognising and identifying the numerals 1, 2 and 3
- Counting groups of objects accurately
- Matching quantities to numerals
- Exploring different ways numbers can be represented
- Comparing small quantities
- Beginning to understand that numbers can be shown using objects, pictures, fingers and marks

Through practical activities and play-based learning, we will be encouraging the children to develop a deep understanding of these early numbers and what they represent.

Messages

Individual Photographs - Monday

A reminder that **individual school photographs will take place on Monday**.

Please don't forget to send your child in with their **school jumper or cardigan**, even if they choose not to wear it during the day.

Reading Volunteers Needed

Our reading sessions will begin after half term, and we would love to welcome parent volunteers to support us.

We are currently trying to establish which days and times work best for our volunteers so that we can organise our reading timetable around availability. There is still plenty of time to obtain a DBS certificate if required.

If you are interested in volunteering and can commit to helping for a minimum of one half term, please complete the form below:

https://docs.google.com/forms/d/e/1FAIpQLScwgwGoznSbdgcJV_vFNLruez4TpRWnBb31WqAxe81TkF78DQ/viewform?usp=dialog

Your support can make a huge difference to the children's reading journey, and we would be extremely grateful for any help you can offer.

Thank you for your continued support. We hope you all have a wonderful weekend and look forward to another exciting week of learning ahead! 😊📚🪺

Nursery

Dear Parents/Carers,

The children have had a fantastic week exploring the wonderful story of *Jack and the Beanstalk*. They have thoroughly enjoyed listening to the story, joining in with familiar parts and developing their Communication and Language skills by learning new vocabulary. We discovered some interesting new words, including harp and axe, and talked about what these objects are used for.

The children have also been developing their Expressive Arts and Design skills by creating their own beanstalk collages. They explored a variety of materials, colours and textures to make their beanstalks, allowing them to use their imagination and creativity.

In Mathematics, we have been learning to recognise and count to the number 4. The children used wooden blocks to practise counting and then used their blocks to create their own beanstalk representations. This provided lots of opportunities to develop their counting skills, number recognition and understanding of quantity.

We have also been exploring the colour green, identifying it in our environment and using it within our activities.

It has been a fun-filled week of storytelling, creativity, exploration and learning, and we are so proud of all the children's enthusiasm and wonderful efforts! 🌱✨

Reminders:

- The weather is getting colder – please ensure your child comes to school with a coat/
- Please ensure all items of clothing are labelled – we are still finding jumpers with no names which makes it extremely difficult to help us identify the children's clothing.
- Please ensure you are collecting your child on time.

Thank you, as always, for your continued support. We hope you have a lovely weekend.

The Nursery Team

Please share details of our upcoming Open Morning Stay and Play with families and friends looking for a Nursery or Reception place for September 2027!

EXTRA CURRICULAR CLUBS

Autumn Term 2026

The following clubs are currently available at Whiteheath Infant School. The clubs are provided by external providers who communicate directly with parents.
